The Homer Glacier Kings Mite D team is off to a great start this season. The team played 2 games in Soldotna on January 2. The first game against KPHA they lost 3-2, with goals scored by **Elijah King** and **Skyler Shadle**. Their second game they lost 5 to 3. **Chris Wise** scored a hat trick! On January 9th they traveled to Kenai and defeated two other KPHA teams. 5-0 and 3-2. Goals were scored by **Jake Clark**, **Kazden Stineff**, **Liam Coleman**, **Haylee Owen**, **Tyler Gilliland**, **Aleyxa Reekie** and **Chris Wise**. This team may be young and inexperienced, but they are talented and motivated. They also participated in the Peninsula Winter Games. **Come and check them out on February 27 and 28 when they will be hosting the Mustang Hockey Association from Eagle River!**

SQUIRTS:

Steve Dean

The Squirt C and D teams are both busy this month. They hosted the Mighty Moose at home for four games in early January. These games featured stellar goal keeping by **Bradley Bordner** (31 shots against and 27 saves) and some spectacular saves by **Jack Heimbold** for the Squirt D team. Thanks to **Coach Dan DesChamps** for the extra time he has been able to devote to our goalies.

The Squirt C team had a fun and successful (2-1-1) trip up the road for MooseFest. Lots of smiles on the kid's faces when Coach Travis mixed up the lines for the final game against SAMM2, a 6-3 victory. The Squirt D team practiced hard in preparation for the Peninsula Winter Games tournament. It is great to see the skills developing on this team. The Squirt Cs hosted the AHA Comets, KPHA 1 and KPHA 2 for a total of six games at the end of January.

PEEWEEES:

Brad Roberts

The Peewees are having a very successful season this year. Coached by **Jon Faulkner** and **Rich Sonnen**, The PWs are 20-0-2 so far this year. The team just returned from the MooseFest Tournament in Anchorage and **brought home the first place trophy**. The crossover game went into overtime, then a shootout with **Kiril Sanarov** and **Dawson Roberts** scoring and **Markian Polushkin** in goal stopping all shots. The Championship game also went into overtime with four players scoring in regulation. Nine seconds into OT **Kiril** brought us home. The team is truly led by the second year players, but through hard work and determination the first year players are coming into their own.

The Peewees success is not only contributed to the players hard work but also to the contributions of their parents and families. It takes us all to make it happen. I also would like to thank the board for their work on our continued survival.
